

## 4QTRS Holdings, LLC Hosts U.S. Congresswoman Stephanie Murphy and Demonstrates Leading School Safety Solutions

*Lake Mary, Florida* - 4QTRS Holdings, LLC (4QTRS) was honored to host Congresswoman Stephanie Murphy at our Lake Mary Headquarters on March 29, 2018 prior to Ms. Murphy attending a school safety and security forum at a local high school.

As a member of the powerful House Committee on Armed Services, national security and protecting our communities from threats is a top priority for Congresswoman Murphy. In this connection, the 4QTRS team was pleased to provide Ms. Murphy with an introduction to our leading **SafePointe School Safety** solutions which leverage award winning technology found in major metropolitan emergency operations centers.

Key SafePointe School Safety capabilities now provided to over 200 schools and demonstrated to Congresswoman Murphy included:

- enabling automatic and immediate notification of a full range of 9-1-1 incidents near and within schools (in coordination with local law enforcement),

- providing a tool for real time two-way communication and collaboration with school personnel, first responders and public safety officials,
- a simple panic button / mobile tool actioning an immediate alert from school personnel to emergency responders,
- a powerful floorplan-based dashboard view enhancing situational awareness and effectiveness of response,
- flexible, vendor agnostic technology enabling integration with new and existing school systems to provide cost effective solution

U.S. Congresswoman Stephanie Murphy:

*“I enjoyed touring 4QTRS’s facility and learning about their school safety technology solutions,” said Murphy. “What I saw during my visit was a testament to the innovative work happening right here in central Florida. It’s also proof that all of us—including entrepreneurs and small businesses—can work together to create stronger and safer communities for our children to prosper.”*

As a Florida veteran-owned small business, we are pleased that our elected officials at the federal, state and local government levels have made school safety a top priority.
